One-on-one personal attention from our devoted faculty allows training to match student interest, culminating in a final workshop performance for four-week students. The cultural and historic city is filled with unique shops, famous restaurants, galleries, and a vibrant outdoor market where artisans display and sell their art. Charleston Ballet Theatre's new state-of-the-art studios are just minutes away toward the gorgeous beaches of Isle of Palms and Sullivan's Island. Weekends are filled with organized and chaperoned activities that allow the dancers to experience the charm of Charleston.
